

# Donate to our *Raffle* and make dreams come true

The 25th Annual Hat's Off Luncheon is a celebration of elegance, philanthropy, and community impact. One of the highlights of our luncheon is the exclusive raffle, which generates excitement and plays a key role in our fundraising efforts. This year, we are inviting you to join us as a Raffle Donor by contributing a stunning jewelry piece or a luxury item to enhance our raffle offerings.

Your donation will not only support our mission to create healing, personalized bedroom environments for children facing serious medical challenges but will also provide your business with valuable exposure to our influential audience.

## **Why Become a Raffle Donor**

- **Unparalleled Visibility:** Your donated item will be showcased at the event to an audience of Detroit's most philanthropic and influential women, who have a passion for supporting local businesses and shopping with intention.
- **Exclusive Recognition:** Your name or business will be prominently featured in our raffle displays, luncheon materials, and promotional content, creating meaningful connections with our attendees.
- **Drive Awareness:** Showcase your brand or store to an engaged, high-profile audience. Many of our attendees actively seek out businesses that support charitable causes, creating a lasting impression and driving potential visits to your store.

## **Support a Worthy Cause:**

- Proceeds from our raffle help raise \$30,000 or more annually to fund The Suite Dreams Project, making a tangible difference in the lives of children and their families.
- Your Contribution Makes a Difference
- When you donate to our raffle, your generosity helps us transform dreams into reality. Each piece will be beautifully displayed and celebrated, not only as a representation of your business but also as a testament to your commitment to helping children in need. Together, we can make this year's Hats Off Luncheon a truly unforgettable and impactful event.
